What is the PIT Count?

The Point-in-Time (PIT) Count provides a snapshot of the individuals and families experiencing homelessness in a geographical area, over the course of one night.

Why do we need Volunteers?

Volunteers are needed to survey unhoused neighbors. The data is used to help Montgomery County in our effort to end homelessness.

Volunteers will receive training, be organized in teams and go out to designated locations where we believe unsheltered persons may be located.

Training Opportunities

There will be a hybrid training* on **Wednesday, January 25, 2023 at 9 p.m.** at the Mid-County Department of Health and Human Services Building, 1301 Piccard Drive, 1st Floor Conference Room, Rockville, Maryland 20850. The in-person training is recommended for first-time volunteers and light refreshments will be provided.

*A hybrid training link will be provided once registration is closed on January 20.
